Dear Sir:

In a project that I am working on, the Assassination
of President Kennedy, I collect actual photographs or at least
copies of these *original photos*

photographs of Lee
Harvey Oswald and it was brought to my attention that
Dallas Police Department has some pictures of him on file
It would be of tremendous help to me if you could obtain
some copies of those now on file in your offices.

Sincerely yours,

Dear Mr. Batey:

I regret that I am unable to assist you in your research into the assassination of the late President John F. Kennedy.

A complete report on the investigation conducted by this department into the death of President Kennedy was submitted to the Presidential Commission, established following his death. I should like to suggest that you contact the United States Department of Justice for any information they might be disposed to provide.

I hope this information will be of some value to you in conducting your research.

Very truly yours,

Chas. Betchelor
Chief of Police
